Objective

To continue my pursuit of absolute household domination by leveraging my elite skills in stealth, chaos engineering, and human manipulation, while maintaining a strict nap schedule and receiving unlimited treats.

Experience

Chief Chaos Officer (CCO)

Household Headquarters — 2018–Present

- Executed daily surprise attacks on unsuspecting humans, enhancing agility and fear-based respect.
- Conducted tabletop gravity experiments, resulting in a consistent 100% object-drop success rate.
- Oversaw food-delivery operations, training humans to improve treat response times through vocal intimidation.
- Led strategic infiltration missions, including slipping through cracked doors and accessing forbidden rooms.
- Maintained strict supervision of humans from elevated positions to ensure loyalty and obedience.

Senior Furniture Durability Tester

Whole House Operations — 2016–2018

- Performed comprehensive scratch-based stress tests on couches, carpets, and chairs.
- Provided detailed (though unwanted) feedback to humans regarding furniture durability.
- Achieved record-breaking “claw productivity” through optimized stretch-and-scratch routines.

Junior Mischief Apprentice

Kitten Training Academy — 2015–2016

- Developed foundational skills in speed-running hallways at 3 a.m.
 - Achieved early mastery of the “push items off shelves” technique.
 - Demonstrated exceptional potential in selective hearing and obedience refusal.
-
